Dear Valued Member,

Thank you for supporting Gorman Heritage Farm through your membership. I hope you have had a chance to attend classes, events and other activities at the farm. We're proud of the many new activities available; volunteer training, summer camp, school tours, adult classes on a wide range of topics and assorted special events.

At this time, your membership is due to be renewed for another year of free, year-round access to the farm as well as free attendance at most classes and festivals. We think it's a great value and wonderful opportunity to provide enjoyable recreation and quality educational experiences for all ages. To encourage your prompt renewal, I'd like to offer you a pair of guest passes to one of our upcoming events - simply send in your renewal within one month of its due date, and we'll send the passes out with your membership cards. It's our way of thanking you for your continued support of Gorman Heritage Farm, and to spread the word about all the great things the Farm has to offer.

So don't delay - phone or mail your membership renewal to the Farm today. Better yet, stop by in person - we'd love to see you!

Sincerely,

Sandra Murphy

Sandra Murphy
GHF Director

*For your convenience, you may renew by phone - just call 513-563-6663 (credit card required), or fill out the lower portion of this letter and mail to us at:
